Cosmos ■ GOING FOR ADDS 02/27/2023!

9 Songs, 10 Mixes, 1 memorable album.

Recommended If You Like: Kx5, Anabel Englund, Alesso, Kygo, Swedish House Mafia, David Guetta

For Immediate Release:

EDM producer and DJ Kimon Katafigiotis returns as “Korvez” with his blend of progressive house, melodic techno, downbeat, and pop song writing.

The new album “Cosmos” will be released on the Quark Music Group label, distributed by InGrooves Music / Virgin Music Group. The album features unreleased remixed versions of the 2022 Korvez singles, as well as some original versions.

“Cosmos” follows up to the 2020 release of “*Love of Your Life - The Remixes*”, which included remixes by Yosef Flumeri, Pavel Pro, Elektro Abhijeet Manu, and Korvez.

Prior releases include 2019’s “*Disco Apocalypse*” featuring 9 brilliant tracks and great vocal performances including Billboard charting vocalist *Sophia Diaz* on “Sea of Light”, and “*Gravity Defied*”, the #1 most added on the NACC Electronic Charts for week of 11/16/18, which charted on many US college and community radio EDM lists.
